facial

Our facials improve the appearance of your skin using medical grade skin care products. Included in the facial is deep pore cleansing with extractions, steam, exfoliation, customized mask and hydration, leaving your skin radiant.

- Medi-Facial \$75.00
- Medi-Facial with Peel \$100.00
- Express Facial \$55.00
A mini-facial with maximum results. Great for acneic skin.

dermaplane

This form of advanced exfoliation helps to “refinish” the skin’s top layer through a controlled surgical scraping and can be performed on small areas or over the entire face.

This treatment gives the skin a softer appearance while accelerating cellular turnover.

- Dermaplane \$75.00
- Dermaplane & Peel \$100.00

microdermabrasion

This procedure is an exfoliation treatment involving a fine mist of crystals that helps to soften fine lines, smooth rough skin, and enable products to penetrate deeper into the skin. This treatment reveals newer, healthier, younger looking skin with no downtime. A series of treatments is recommended for optimal results.

- Face, Neck & Chest \$160.00
Series of three \$408.00
- Face & Neck \$120.00
Series of three \$306.00
- Face Only \$100.00
Series of three \$255.00
- Add a chemical peel \$20.00

chemical peels

Peels for the face and body. Fine lines, pigmentation irregularities, and coarse skin texture are the results of aging and sun exposure. Colorado’s dry climate and altitude are particularly punishing to skin health. Chemical peels can help restore smooth skin texture, even color, and diminish lines. A series of treatments is recommended for optimal results.

- Glycolic Peel Facial Treatment \$75.00
Series of three \$192.00
- Melanage Peel \$500.00
The Melanage Skin Lightening System is a superficial peel designed to improve the texture and appearance of hyperpigmented skin which involves a medicated masque and an at-home regimen.
